SKILLS

- **Programming Languages:** JavaScript, Python, Java, C
- **Web Development:** React.js, Node.js, Django, HTML, CSS
- **Databases:** MySQL, MongoDB

WORK EXPERIENCE

Virtual Internship | Web Stack Academy

June 2024 – Jul 2024

Developed an e-commerce website using the MERN stack (MongoDB, Express.js, React, Node.js). Designed and implemented front-end components with React.js, and back-end services with Node.js and Express.js. Integrated MongoDB for data management and used JWT for secure authentication. Collaborated with the team to debug and ensure smooth functionality. Conducted comprehensive testing and utilized Git for version control. Delivered a fully functional platform within the project timeline, enhancing user experience and performance.

EDUCATION

Bachelor of Engineering (Information Science)

Dec 2021 - Present

AMC engineering college, Bengaluru

CGPA 6.74/10

Class 12th

May 2019 – May 2021

Govt PU college, Kolar

Percentage – 74.5%

Class 10th

Govt high school, Chinthamani

Jun 2017– Apr 2019

Percentage – 85.6%

PROJECTS

Online Railway Ticket Reservation System
